Welcome to the Department of Political Science. We are a fairly large department in the College of Liberal Arts with over 800 political science majors enrolling in our program each year. In order for me to better serve your needs, it would be helpful to know a little more about you so please briefly answer the following questions.

Kind regards,

Rose Miskowiec
Rose Miskowiec, Undergraduate Adviser

Will you be completing any other majors or minors? If so, what are they?

Why are you choosing political science as a major? What knowledge do you expect to gain by majoring in political science?

After completing your undergraduate degree, do you plan to enroll in a graduate or professional school? Seek employment? Do something else?

Do you have a career goal in mind? If so, what is it?
Do you have specific questions or concerns about anything in particular such as completing your major or degree, enrolling in graduate/professional school, seeking employment after graduation, or anything else?

In what ways do you expect your political science adviser to assist you in meeting the goals that you have set for yourself?

Is there anything else that would be helpful for your advisor to know about you that you would like to share with me?
